

Project Name: DNR Training **Change request** CR-003
Urgency: HIGH
Project Sponsor: Megan Wisecup – Dept. of Natural Resources
Originator: Darrell Fremont – DAS_ITE **Requested by:** Megan Wisecup
Date requested: 01/07/2009

Justification

Description of Change Requested: Additional Execution funds for ELSI Integration

Reason for Change: The work by a 3rd Party was not included in prior funding requests. The work by Central Bank is needed to complete the data transfer to and from the licensing application and the DNR Training application.

Proposed Approach to Resolve: Adjust Execution budget by \$13,200.00

Impact

Impact on Scope: None, Intent of the project has always been to transfer training certification data needed prior to a customer obtaining a license

Impact on Scope Risk: None

Impact on Schedule: Project work on the ELSI integration is scheduled to begin in January and to be completed by March 2009

Impact on Staffing Effort: None, this work to be completed by the 3rd party.

Impact on Spending: Increase Execution funding by \$13,200.00 to \$293,200.00 (details for request attached)
